 The planning meeting for our November Event will be on Aug 8th at 10 a.m. Everyone’s ideas, input and help will be appreciated

Hello!

I have had a busy week like most of you. I made up all the flowers for a wedding, gave a program at the Clearwater Aging Well Center on "The Face of a PANSY." and a talk on CGC.

Our trip to the Caladium Festival was a delightful day, CGC gal's came home with a lot of bulbs to plant. Cheryl Drew did a great job putting it all together, and a talk on the way back about caladiums. Thanks Cheryl.

Now fall is on its way, plans are in the making for a lot of activities you will not want to miss. Join us Aug. 8th Friday 10 a.m. as we put our minds together to plan our BIG EVENT, flower show, and our yearbook 2014/2015.

Fall Dist. 8 meeting is coming up in Oct at Manatee GC just over the skyway bridge, and the FFGC 90th Anniversary Celebration is in Sept.

Saturday garden club will be meeting back at the club house Aug. 15th, 10 a.m. Friday GC will start back up with a membership drive so come with gloves and hats if you wish, but most of all bring your friends.

The second Friday of Oct. at 9:45 a.m. begins social time and 10:00 a.m. our program and meeting. More to come!

Friend in Gardening,
