Mission Statement

The Clearwater Garden Club is a non-profit 501(c)(3) organization. The mission is to educate our members and the public in the fields of:

- gardening
- horticulture
- botany
- landscape design
- artistic design
- conservation of natural resources
- civic beautification
- garden therapy environmental and nature studies
- to encourage the erection of memorials to Veterans of the United States Armed Forces, and
- to do and to perform all acts necessary to carry out the purposes of this corporation.

A message from current CGC President Paul Keleti: The Clearwater Garden Club began almost 73 years ago. It is a tribute to the wonderful membership over the past seventy-three years that our garden club has thrived and evolved within the City of Clearwater. I was elected in April 2023 to a second term and our board and members have embraced starting this new year with a renewed partnership with the Community Gardens. The property was divided into 8 gardens and members are encouraged to share their ideas, designs and plans to continue to enhance existing landscaping. Last year, our wonderful members and Executive Board worked endlessly to improve our club property and building. Let's build upon that work. I look forward to the upcoming year as we follow our mission, meet our goals, share our passion, knowledge, and joy for gardening with each other and our community.

STANDING COMMITTEE DESCRIPTIONS:

1. The **Awards Committee** has charge of all details regarding applications for any available awards to benefit the CGC and shall provide Flower Show ribbons and awards. They shall seek out potential grants and awards and convey information to appropriate Chairs.
2. The **Exhibits Committee** has charge of matters involving education and interest in flower arrangement. It shall plan, with the Program Chair, exhibitors to make presentations to the CGC. It shall plan and implement all flower shows.
3. The **Birds, Butterflies and Conservation Committee** shall use all appropriate means to educate CGC members and the public on conservation matters. It shall stay informed of current conservation issues both local and national, pass this knowledge on to the membership and schedule events accordingly.
4. The **Budget and Finance Committee** shall consist of the Treasurer, Assistant Treasurer, Ways and Means Chair and two members-at-large appointed by the President after consultation with the Treasurer. It is their duty to prepare the annual budget, to be presented to the Board and general membership at the October meeting. No committee chair may exceed their budget without permission of both Budget and Finance Committee and Executive Committee.
5. The **Bylaws and Standing Rules Committee** shall prepare and present any amendment to the Bylaws in writing to the Executive Board to be discussed, then presented and voted upon by the general membership after the membership has sufficient time to study the proposed change(s). The Executive Committee shall review the Bylaws every three years.
6. The **Ways and Means** is the fund-raising committee. Fundraising is very important to the Clearwater Garden Club, and we encourage all members to participate.
7. The **Hospitality Committee** shall provide Hostesses at all regular and special meetings and refreshments when required. They are responsible for setting up and cleaning up, for decorations and for maintaining the kitchen equipment. They shall report to the Executive Board any needs for supplies and maintenance above the line item in the budget.
8. The **Landscape Committee** shall be responsible for the continued planning, planting and general care of the grounds of the CGC.
9. The **Library Committee** shall be responsible for all CGC literature, subscriptions to garden magazines and book acquisition.
10. The **Membership Committee's** Chair shall maintain a current roster, known as "the official list of the Clearwater Garden Club", and provide this list to the members and to the Recording Secretary. They shall distribute the Bylaws, direct new members' orientation, and maintain an attendance book.
11. The **Program Committee** shall with their Chair, the First Vice President, to arrange all details for programs at the general meetings. Programs should carry out the objectives and goals of the Florida Federation of Garden Clubs, Inc., and the National Council of Garden Clubs, Inc.
12. The **Publicity Committee** shall furnish information to the media regarding Club activities. They shall maintain a current list of media outlets and contact people, along with copies of articles, news clips and other documentation of Club activities.
13. The **Yearbook Committee** Chair shall compile, edit, print and distribute the annual Yearbook to the members.
14. The **Youth Gardening Committee** shall arrange meetings and programs for education of young persons in all matters listed in Article I.

National Garden Clubs

National Garden Clubs, Inc.

History and Mission of National Garden Clubs: National Garden Clubs, Inc. is a 501(c)(3) organization that aims to promote the love of gardening, floral design, and civic and environmental responsibility and we help coordinate the interests and activities of state and local garden clubs in the U.S. and abroad. CGC Ongoing Projects 2023 – 2024

Blue Star Memorial Highway Marker – (100% Participation) This program originated with a garden club in New Jersey in 1944. NGC adopted the program and FFGC endorsed it in 1945. Since Dec. 15, 1959, CGC has been proud to sponsor the marker on the Memorial Causeway. In 2018, CGC raised money to refurbish the marker, and it was re-dedicated. We are now continuing to raise the funds necessary to maintain the marker as a tribute to the military heroes of our community.

Penny Pines – (100% Participation) A reforestation program benefitting the National Forest Service, "Penny Pines" began in 1941 when seedlings could be produced for about one cent each. Approximately 680 seedlings were used to plant a typical acre. For \$68.00, ten acres of seedlings could be purchased. Our goal is to make at least two \$68.00 donations each year.

Wekiva Youth Camp - Our goal is to send at least one young person to camp each summer to study horticulture, botany, landscape, artistic design and conservation. We have fundraisers throughout the year to build up this fund.

Horticulture (Formerly Grow & Share) – Members and guests are asked to bring plants or cuttings to the monthly meeting. Drop off plant and/or cuttings at the horticulture table upon arrival and take a plant and/or cuttings before you leave and share the beauty of gardening.
